- Of the 294 US astronauts, more than 180 had been Boy Scouts in their youth; 40 were Eagle Scouts.
- 11 of the 12 astronauts who walked on the moon were Scouts.
- In 2004, there were 3,145,331 boys in the program and 1,173,064 leaders.
- One third of West Point and Air Force Academy cadets were in Boy Scouts. 14% were Eagle Scouts.
- The badges most often earned are: First Aid, Swimming, Camping, Cooking, and Citizenship in the Community.
- 40% of the members of the 111th Congress were in Scouts.
- In 2009, more than 2.8 million Boy Scouts participated in community service projects. The 36.7 million service hours the Scouts provided, were valued at \$764 million!

What is Cub Scouting? Cub Scouting is a family- and home-centered program for boys in the 1st through 5th grades that focuses on building character, citizenship training, and (most of all) FUN!

- Cub Scouting brings families together
- Cub Scouting helps the boys to develop
- Cub Scouting helps meet other people
- Cub Scouting lets boys master new skills
- Cub Scouting encourages boys to be happy!

Cub Scouting gives boys opportunities to have fun, adventures, and positive recognition!
